

MARINECARE WASH & WAX

CHARACTERISTICS

WASH & WAX is a mild washing concentrate, which cleans and protects the surface in one easy step. It is suitable for quick and easy maintenance of all external surfaces. Use WASH & WAX for regular washing during the season. WASH & WAX is easy to use and removes severe contamination.

AREA OF APPLICATION

WASH & WAX can be used on gelcoat, plastics, metal and painted surfaces. While cleaning the surface is also given a coat of wax which extends the surface protection. Any existing wax is not removed. After washing, the surface is water repellent and is resistant against contamination and stains. WASH & WAX does not contain solvents. It is silicone free and biodegradable.

PRODUCT DATA

MATERIAL DATA	Packaging	500 ml
	Colour	greenish–milky liquid lotion
	Solubility	completely soluble in water
	Density	ca. 1,02 g/ml

INSTRUCTIONS FOR USE

Lightly pre-wash the surface with water. WASH & WAX is diluted with fresh or salt water in a mixing ratio of 1:50. Use a sponge or a cloth with circular movement and light pressure. The dirt and any surplus Wash & Wax are then removed with water.

If the surface is very badly or deeply contaminated, WASH & WAX can be applied without dilution. Polishing is unnecessary. Do not apply in direct sunlight or below 10°C.

TECHNICAL DATASHEET

:: SAFETY

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply.

Directions for handling and waste disposal are in our Security Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry .
